RIVER FRONT SITUATION. Advance in values along the waterfront

the river will take place easily. Philaphia is supposed to have an immense terfront, and yet its most valuable stage begins with the Port Richmond minal on the north, to the Pennsyl-sia Railroad terminal at Greenwich Pont on the south, this is approximately

eta, steamship lines, shipyards, 1070 feet of Cramps' Shipyard (undeveloped), the Pensylvania Salt Manufacturing Commany and 1361 feet of Greenwich Land LITTLE FRONTAGE FOR SALE.

of the entire frontage there is not more han 2000 feet actually for sale today, and peribly only 6000 feet more obtainable by a sharp advance of front-foot values. It is a fact, also, that there is a great dal of quiet inquiry going on in regard to desirable property on the Schuyikill irer side of the city, and when facts beme known, it will be found that comle city on the channel and the bank would result in an increase of value of manile river property. LESSOR.

New Traffic Rule at City Hall

A new traffic experiment at the south the of City Hall is being made today under the direction of four traffic police-ses, by order of Director Porter. Troicars castbound that formerly stopped the west side of Broad street now are for the discharge of pag that the middle of the crossing of that theroughfare. By this plan it is beed to prevent the blocking of traffic South Penn Square west of Broad
